Residents

Westage at the Harbor

Rochester, New York 14617-1006

Dear Friends:

Welcome to our community on the shores of Lake Ontario. We are fortunate to be able to live among such agreeable neighbors and in so pleasant a setting.

Your Board of Managers is trying to maintain our property in the best and most beautiful fashion possible, consistent with sound financial policy. We welcome any constructive suggestions you may have. Please recognize that because of the manner in which our condominium came into existence, we have inherited some problems that we would not have incurred had the property been new. We are addressing these problems within our budget constraints and, at the same time, we are trying to improve the property in any way possible.

It will help your Board and, of course, all homeowners, if we all cooperate like the community of concerned homeowners that we are. Each of us bears the responsibility to maintain our property as if the whole complex belonged to one's self. Let us treat the property and our neighbors as if we were living in a single-family residential suburb where each of us is responsible for the maintenance and tranquility of our total surroundings.

For your convenience, the office is located in Building 800 on the first floor. Potential problems or suggestive criticism may be brought to the attention of our office if need be.

Please enjoy living at Westage at the Harbor. It is a great place to be!

Cordially,

The Board of Managers

GENERAL NOTES

SECURITY

Our community depends on each of its members for our security and safety. Please....

- Be sure that security doors close behind you.
- Remember that fire doors are for emergency use only. They are not used as a regular entrance or exit.
- Be mindful of any unusual behavior, such as unfamiliar people loitering on the grounds.
- Report suspicious or troublesome behavior promptly to the Irondequoit Police.

HOURS

In order to be considerate of our neighbors, the laundry rooms should only be used between 8:00 a.m. and 10:00 p.m. each day and should be used by residents only!

BATHROOM RULES

Please be careful what you flush down the toilet. This has the potential to affect each condo owner and renter in higher HOA's and rent fees! Please do not put the following items down the toilet: eggshells, grease, baby wipes, cat litter, disposable diapers, potting soil, plastic bags, sanitary products or toilet cleaning sponges.

TRASH PICK-UP

The outdoor trash receptacles are emptied several times per week. All trash must be in plastic bags. Large items, e.g., oversized cartons, packing crates, etc., should be discarded in the dumpsters in each parking lot. Dumpsters are located at the entrance of each parking lot inside a fenced enclosure. Before discarding heavy or bulky items, such as old appliances, consult with the office at 585-338-7320 for instructions that may simplify their disposal.

GARBAGE DISPOSAL

To help prevent and minimize potential back-ups, flush your garbage disposal an extra minute or two after every use. Never put the following items in the system: grease, coffee grounds, celery stalks, bones, seafood shells, onion skins, plant cuttings, potting soil, eggshells, bay leaves, paper products, including cigarettes.

PARKING

No more than 2 cars per unit in the parking lot. See page 7 for parking pass.

HEAT

Please keep the temperature in your unit at a reasonable level. If the replacement of the thermostat is necessary, it must be purchased from and installed by Westage Maintenance. Owner's will be responsible for the cost of the thermostat but not for the installation.

REMODELING

Variance for any remodeling units is required and the hours for all remodeling work are limited to Monday through Friday, 8:00 a.m. to 5:00 p.m., and Saturdays from 8:00a.m. to 2:00p.m. (see page 21)

Summary Statement of Parking Rules

Complete and return the attached vehicle information sheet to the Main Office in order to obtain a parking pass. This should be completed within 48 hours of move in or obtaining a new vehicle. Please remember that all vehicles parked on our property by residents must have “W” stickers, valid registration and inspection, license plates and must be moveable at all times in any emergency. There are no more than two (2) resident vehicle permits allowed per unit in the parking lot. Owners are permitted two (2) additional visitor passes. Visitor passes are to be used for no more than 48 hours. Residents giving a party and expecting more than two visiting cars must notify the office (338-7320) **in advance**.

Please also note that you are responsible to see to it that your visitor’s car(s) must display a visitor pass on their dashboard while parked in the Westage lots.

I. Violations carrying a fine of \$50 for each occurrence:

1. Lack of “W” sticker or valid visitor-parking permit. Such permit is valid only if it shows the clearly visible and legible unit number of the host. Unidentified cars may be towed without previous warning. A minimum of \$75 will be charged by the towing company.
2. Illegally parked cars, including cars:
 - a. in fire zones
 - b. in spaces directly facing entrances to Buildings 600, 700, 800 and 900 (marked by stripes)
 - c. in spaces not designated for parking
 - d. in more than one space (across white line)
 - e. without license plates or valid registration
 - f. rarely-used cars not parked in spaces specifically designated by the Parking Committee (call the Office at 338-7320), unless written permission has been obtained by the Board of Managers
 - g. not parked in designated area for long-term (more than 3 days) parking.
3. Cars not moved after notification of an emergency. Notices that are posted at building entrance are deemed sufficient notification. Persons temporarily absent must notify the office and leave car keys with designated person. Cars that cannot be moved in snow (or other) emergencies will be towed at owner’s expense
4. Cars parked obstructing sidewalks.
5. Cars using excessive speed (over 5 mph) on any lot. This is very important because of increased danger of accidents.
6. Trucks or commercial vehicles parked in front of buildings 100-500 and 1000-1400 (parking spaces next to sidewalk), unless providing daytime delivery.

Rev. 2/2022

II. Parking in no-parking zones.

Even when a parking lot is full, parking in no-parking zones cannot be permitted. In such cases, car owners should look for empty spaces farther away, especially near the SW corner and in the West lot. Owners of cars parked illegally will be fined if they are residents or visitors with guest permits.

III. Cars without parking permits will be towed.

IV. **Cars must be movable at all times for emergencies and snow maintenance.** During winter months, vehicles should change parking spots every three days in order to ensure proper snow removal. Snow left between and around vehicles is unable to be cleared and freezes in these low temperatures. These conditions present potential safety hazards for Residents and Guests to slip and fall. If owner will be away for more than 3 days, arrangements must be made with the Westage Office. Arrangements include the car being parked in a designated area for long term parking and keys being left with the office or a listed emergency contact.

V. Method of payment of fines:

1. Fines may be paid by check at the Westage Office during office hours, or the fine(s) will be added to owner's account.
2. Fine(s) not paid within 45 days from date of ticket will be doubled.

VI. Appeals Procedure:

Any car owner fined has the right to appeal to the Board of Managers in writing. The Board will then take up the matter at its next regular meeting. During the decision-making process, the issuer of the ticket(s) is strictly limited to answering questions by Board Members and may not make recommendations nor cast a vote.

VII. Enforcement:

The Board of Managers believes the time has come for strict enforcement of all rules without further warnings.

Owners who rent out units are also held responsible in cases of non-compliance by their tenants.

Landlords shall give a copy of all rules to each new tenant.

RULES AND REGULATIONS FOR WESTAGE AT THE HARBOR CONDOMINIUM

1. The units shall be used for residences only. They may be used as professional offices by a resident thereof provided such professional use does not violate zoning regulations and provided further that the prior consent of the Board of Managers to such professional use is obtained.
2. There will be NO issuing of parking stickers, limited visitor parking passes, pool passes, or mailbox name tags until the Westage office, located in Building 800, has received a completed owner profile with emergency contacts listed and, if applicable, a completed twelve-month lease addendum with the tenant information.
3. Except to the extent permitted or otherwise expressly authorized herein or in the By-Laws, no industry, business, trade, occupation or profession of any kind, commercial, religious, educational or otherwise, designed for profit, altruism, or otherwise, shall be conducted, maintained or permitted on any part of the property, nor shall any "For Sale", "For Rent" or "For Lease" signs or any other displays or advertising be maintained or permitted on any part of the property, including the parking lot, or in any Unit therein, nor shall any Unit be used or rented for transient, hotel or motel purposes. Notwithstanding this provision or any other provisions to the contrary, Units may be used as a professional office by a person who also resides on the premises. Said professional use is subject to applicable governmental regulations and prior written permission of the Board of Managers. No sign of any kind may be used in connection with said use.
4. Nothing shall be done or kept in any Unit or the Common Elements which will increase the rate of insurance of the buildings, or contents thereof, without the prior written consent of the Board of Managers. No Unit owner shall permit anything to be done or kept in his Unit or in the Common Elements which will result in the cancellation of insurance on the buildings, or contents thereof or any of his agents, servants, employees, licensees or visitors shall at any time bring into or keep in his Unit any flammable, combustible or explosive fluid, material, chemical or substance. Owners of barbecue grills which are used in an unauthorized area or left out overnight will be fined \$50.00. Storage of grills must be in a garage. Violators will be fined. According to the New York State Fire Code, propane tanks (3 pounds or larger) cannot be stored in our storage areas.
5. All radio, television or other electrical equipment of any kind or nature installed or used in each Unit shall fully comply with all rules, regulations, requirements or recommendations of the New York Board of Fire Underwriters and the Public Authorities having jurisdiction, and the Unit owner alone shall be liable for any damage or injury caused by any radio, television or other electrical equipment in such Unit. No radio or television aerial or other similar device shall be erected on a roof or exterior walls of the buildings without obtaining in each instance the written consent of the Board of Managers. Any aerial so installed without such required consent shall be subject to removal without notice at any time.
6. Nothing shall be done in any Unit or in, on or to the Common Elements which will impair the structural integrity of the buildings or which would structurally change any of the buildings except upon the written consent of the Board of Managers.

7. Nothing shall be altered or constructed in or removed from the Common Elements except upon the written consent of the Board of Managers. Installation of laundry washers or dryers in any Unit is prohibited. Installation of freezers or refrigerators in individual lockers is permitted with the written consent of the Board of Managers if installed by a licensed electrician and connected into the Unit owner's metered lines.

8. No animals or reptiles of any kind shall be raised, bred or kept in any Unit or in the Common Elements. Dogs, cats or other common household pets, not to exceed two per Unit and not in excess of 25 pounds, may be kept in Units, subject to the rules and regulations adopted by the Board of Managers, provided that they are not kept, bred or maintained for any commercial purposes. Owners with pets are required to fill out the enclosed pet registration form, provide proof of license and vaccinations, and return to Management as well as become familiar with the community's policies regarding pets. Any such pet causing or creating a nuisance or unreasonable disturbance or noise shall be permanently removed from the property upon three (3) days written notice from the Board of Managers. In no event shall any pet be permitted in any portion of the Common Elements unless carried or on a leash (not left unattended) and none shall be permitted in any grass or garden plot, or in the courtyard or on the beach under any circumstances. No pet shall be permitted to eliminate anywhere upon the property.

9. No noxious or offensive activity shall be carried on in any Unit, or in the Common Elements, nor shall anything be done therein, either willfully or negligently, which may be or become an annoyance or nuisance to the other Unit owners or occupants. No changing of children shall be permitted in the Common Elements. Children under the age of 12 must be supervised while in the courtyard at all times.

10. There shall be no obstruction of the Common Elements, nor shall anything be stored in the Common Elements without the prior consent of the Board of Managers, except as hereinafter expressly provided. This includes, but is not limited to, door mats and footwear in the hallways.

11. a) The Board of Managers may, from time to time, designate specific portions of the Common Elements for specific recreational or storage purposes. Except in areas so designated, there shall be no skateboarding, no playing games involving projectiles and no leaving of any objects unattended (exception(s)-see rule 15 regarding automobiles). Limited Common Elements may be used for their intended purposes. Storage by Unit owners or residents in areas designated by the Board of Managers shall be at the Unit owner's or resident's risk.

b) Designated storage areas: All items (if not in conflict with the health codes, fire codes or Rules of the Condominium) – assigned storage lockers.

c) Specifically, there shall be no shoes, doormats, chairs, playpens, baby carriages, bicycles, wagons or the like left outside the Units or the storage lockers.

Rev. 7/2020

12. No clothes, sheets, blankets, laundry or any kind or other articles shall be hung out of a Unit or exposed on any part of the Common Elements. The Common Elements shall be kept free and clear of rubbish, debris and other unsightly materials. No rugs or mops shall be shaken or hung from or on any of the windows or doors. No Unit owner shall sweep, throw or permit to be swept or thrown therefrom any dirt or other substance.

- a) No bird feeders shall be hung from a Unit or exposed on any part of the Common Elements, nor shall bird feed or bread be placed anywhere on the property.
- b) Personal use of electrical outlets in common areas is not permitted without consent from the Board of Managers.

13. Each Unit owner shall keep his/her Unit in a good state of preservation and cleanliness. Each Unit owner shall be obligated to maintain and keep in good order and repair his/her own Unit in accordance with the provisions of the By-Laws.

14. No patios shall be decorated, enclosed or covered by any awning or otherwise altered without the consent in writing of the Board of Managers. All patio furniture and accessories must be neatly covered for the winter.

15. All floors of a Unit having a Unit below it, shall always be covered with carpet (except bath and kitchen) to reduce transmission of impact sound.

16. a) All vehicles parked on the property by residents must be registered with the Management, have current state registrations, current inspections and must be moveable at all times. (Owners who will be away for longer than overnight should make arrangements with someone other than the management to move their vehicles should the need arise.)

b) Parking areas shall not be used for any purpose other than to park automobiles. Excluded specifically are vehicles larger than $\frac{3}{4}$ ton pick-up trucks, commercial vehicles, recreational vehicles, trailers or boats, vehicles with advertising and/or vehicles with ladders or other equipment affixed to the exterior, including plows, unless express permission therefore has been obtained from the Board of Managers. "Jeep" type vehicles with no advertising on them shall be considered automobiles. (Commercial vehicles shall be allowed for deliveries only.)

c) Washing of cars shall be permitted only in the fire lanes in front of Buildings 400 and 1100. Washing of vehicles shall take place only between the hours of 9:00 a.m. and 4:00 p.m. Vehicles being washed shall not be left unattended and the washing area shall be left in a neat condition.

d) No contractor/commercial trucks shall be permitted to park in front parking spaces of buildings 100-500, or 1000-1400 at any time, unless delivering.

Rev. 2/2017

17. All homeowners who allow non-owners to occupy their Units, must promptly notify the management of the names and phone numbers of non-owner occupants.

a) In an emergency, the agents of the Board of Managers of the managing agent, and any contractor or workman authorized by the Board of Managers or the managing agent may enter any room or Unit at any time to protect the health, safety and property of the homeowners. If a representative of the Board of Managers of the managing agent needs to gain entry to a Unit for a routine service problem, the homeowner will be contacted and a request for entry will be made as per the By-Laws, Article VI Section 15. If an employee of the managing agent enters a Unit for whatever reason (in the absence of the Unit occupant), a copy of his work order must be left on the door of the Unit.

18. If any key or keys are entrusted by a Unit owner or occupant or by his agent, servant, employee, licensee or visitor to any employee of the Board of Managers, whether for such Unit or an automobile, trunk or other item of personal property, the acceptance of the key shall be at the sole risk of such Unit owner or occupant, and the Board of Managers shall not be liable to injury, loss or damage of any nature whatsoever, directly or indirectly, resulting therefrom or connected therewith.

19. In the event of a violation of the Rules and Regulations of the Condominium, the Unit owner responsible (in the event of a violation by a non-owner resident or by a guest, the owner of the associated Unit shall be deemed responsible) shall be notified, in writing, by the Board of Managers of the violation. In the notice, the Board of Managers shall describe the violation. Upon receipt of the notice, the Unit owner responsible shall discontinue or abate said violation. In the notice of the violation, the Board of Managers may assess such fines or penalties as are permitted by the Declaration and/or By-Laws for the Condominium. The standard fine for rule violations is \$50 per day that the violation persists. Upon the written request of the Unit owner responsible, the Board of Managers shall permit the Unit owner an opportunity to respond to any such notice, fine or penalty at the next regularly scheduled meeting of the Board of Managers.

20. Any consent or approval given under these Rules and Regulations may be added to, amended or repealed at any time by resolution of the Board of Managers.

21. All Unit owners who rent their property to another party, must inform them of and include in the lease, a covenant by the tenant to comply with the requirements of the Declaration and By-Laws of the Condominium ("Association Instruments") and such other rules and regulations as the Board of Managers may, from time to time, promulgate ("Rules and Regulations"). The Unit owner shall require the tenant to sign a lease addendum (in the form attached hereto), certifying that the tenant has read a copy of the Association Instruments and Rules and Regulations and shall comply with the provisions therein. A fully-executed copy of the lease must be provided to the Board of Managers by the Unit owner within thirty (30) days of the commencement of the lease. Initial leases must be for a term no less than 12 months. This requirement applies to verbal, as well as written tenancies. When a lease expires and it is extended to the same tenant, the original Lease Addendum shall be deemed extended. The Unit owner must notify the management agent of the extension and its terms in writing within thirty (30) days of the expiration of the original lease.

Rev. 5/2019

22. Report any move in/move out damage to management.

23. In the event any Unit owner or Unit owner's tenant violates these rules and regulations or any other provision of the Condominium By-Laws or Declaration, and the Association incurs legal costs, including but not limited to, attorney's fees, court costs and provisions, all such legal expenses shall become the responsibility of the Unit owner.

LAUNDRY INFORMATION

In order to affect a peaceful and harmonious environment for all, we must use common courtesy and be thoughtful whenever possible when using the laundry rooms. Please keep the following points in mind:

- * Do not use all of the machines at one time. This restricts others who may be just as pressed for time.
- * Do not leave your laundry in the machines. The washer cycle is 34 minutes and the dryer runs for one (1) hour.
- * Laundry should only be done between the hours of 8:00 a.m. and 10:00 p.m.
- * Waste baskets are not for personal trash.
- * Please clean lint traps after every use.
- * Don't leave the water running in wash tub—it costs all of us!

POOL AREA RULES & REGULATIONS

General Rules

Hours: 10:00 a.m. to dusk daily. There will be a pool attendant and additional security, as needed, on duty during the hours that the pool is open. Disrespect toward the pool attendant and/or other condominium staff will not be tolerated. No swimming or entry to the pool area is allowed unless an attendant is on duty.

Passes: Each Unit shall receive a total of four (4) pool passes. The number of guest passes you receive depends on the number of photo pool passes that you receive. For example, if you receive 2 photo pool passes, then you will receive 2 guest passes. If you get 1 photo pool pass, then you will receive 3 guest passes. Off-site homeowners relinquish their rights to the pool to their tenant. The pool attendant and other condominium staff are authorized to confiscate the pool pass of any pool user who is found in violation of any pool rules. Anyone delinquent on their HOA account relinquishes their right to pool passes. Extra passes for special circumstances may be available from the office upon approval.

Entry to the Pool Area: Residents (and guests) will sign in and surrender their pool passes to the pool attendant upon entering the pool area. The passes will remain with the pool attendant while the individual(s) is in the pool area. Residents must remain present at the pool with guests. There will be absolutely no admission to the pool area without valid pool passes. Everyone should be rinsed of sand and dirt before entering the pool. There is a faucet and hose on the west side near the entrance for your use.

Guests: Home owner must sign in themselves as well as sign in guests. The pool photo and guest pass, are to be left with attendant. The Home owner may not leave the pool area. Home owner will be responsible for their guests at all times.

Children: Children under 16 years of age must be accompanied by a parent or an authorized person 21 years of age or older AT ALL TIMES. Children under 16 must wear a colored wrist band that coordinates with their supervising adult. This will permit attendants to match a child with their adult. Please remember that attendants are not babysitters. Children should always be encouraged to use the bathroom prior to entering the pool. Infants or small children who are not toilet trained must wear a waterproof diaper, such as “Huggies Little Swimmers”. Diapered children are not permitted in the pool.

Behavior:

- a) Proper social distancing should be practiced from those outside your household group.
- b) No diving, running, horseplay or “rough housing”, excessive noise levels, obscene or abusive language or abuse of pool property. See signs posted at pool.

- c) No bicycles, tricycles, skateboards, roller skates/blades or inappropriate pool equipment in the pool area or courtyard.
- d) The pool attendant and other authorized personnel have the authority to remove any person or persons for infractions of pool rules or other inappropriate behavior.

Food and Drinks: Food is not allowed in the pool area. Beverages in cans, paper or plastic containers are permitted in the pool area, BUT NOT IN THE POOL! Glass containers are NOT allowed in the pool area.

Chairs: All lounge chairs in use must be covered by the user's towel. Owners must be present at pool in order to reserve chairs. Saving a chair in advance will not be permitted.

Swimming Attire: Owners and guests are to be in appropriate attired swimsuits. Hair clips, pins, etc. are to be removed from hair before using the pool.

Closing: The pool attendant or other authorized personnel have the authority to close the pool because of safety, health and/or weather conditions at any time at their discretion. Please note that the pool will not be open for temperatures less than 67 degrees.

Violation of the Swimming Pool Rules

First Violation: The violation will be documented and the individual will receive a verbal warning. They will be required to leave the pool area for the remainder of the day. Residents are responsible for their guests. If the violator is a minor, the parent or guardians of the individual will be notified.

Second Violation: The violation will be documented and the individual will be prohibited from entering the pool area for one week.

Subsequent Violations: Any subsequent violation will be reviewed by the Board of Managers and may result in fines and/or loss of pool privileges for the remainder of the season.

911: The pool attendant and other condominium staff are authorized to call 911 if any resident does not comply with the listed rules and regulations.

***PLEASE NO RUNNING AND PLEASE BE CURTEOUS TO ALL THANK YOU!!!

SWIMMING AND ALL POOL ACTIVITIES WILL BE AT YOUR OWN RISK

Rev. 5/2023

Westage at the Harbor Beach/Courtyard Summer Procedures

1. Use of picnic tables: Tables may be reserved by signing up in the pool area. There is a two-table limit per Unit. Tables not in use ½ hour into reservation time will lose their claim.
2. The set up or playing of team games (volleyball, bocce, soccer, etc...) in the courtyard will not be permitted, nor the use of skateboards, bicycles or roller skates.
3. Privately-owned grills may be used on the beach; however, **NO** privately-owned grills should be **used in the courtyard.**
4. Safety at all times should be a priority of those persons using grills for parties and picnics. All grills should be closely watched and not left unattended. The use of fire starters typically used for chimneys are strictly prohibited.
5. Be considerate of neighbors in the evening hours. No loud noise after 10:00 p.m. please.

Kayak Storage Racks

1. Owners wishing to store their kayaks on Westage racks must sign a waiver (located at the end of this packet), acknowledging that Westage is not responsible for kayaks that are stolen or damaged.
2. Owners must supply their own locks.
3. Owners are responsible for keeping the gate closed and locked at all times after going in or out and are responsible for the replacement costs of any lost or stolen keys.

**** Please note that owners of both kayaks and bicycles stored in Westage racks must remove them for the season, no later than November 1st.**

Gardening Guidelines

In order to maintain a uniform appearance throughout the entire common areas facing the parking lots (east, west and south), there will be no gardening allowed. These areas will be maintained by the Westage staff.

In the courtyard, only ornamental plants will be permitted. This means no decorative items or statues. Also, there can be no planting of vegetables, herbs or anything else that can be consumed. Pesticides and other chemical applications by home owners will not be allowed.

Gardening Guidelines cont.

To the individuals who wish to plant, it will be their responsibility to maintain their garden throughout the season. This means keeping the garden neat, free of weeds and not covering walkways in the courtyard. At the end of the season (approximately October 15th), it is the individual's responsibility to clean up their garden and properly dispose of all plant material in the trash totes. Failure to do so will result in not being allowed to garden the following season.

Rev. 8/2020

Air-Conditioner Guidelines

(a variance is required):

- * General Electric
 - * AJCQ10DWH
 - * 10,000 BTU
- Or

- * General Electric
- * AJCQ12DWH
- * 12,000 BTU

Heating/Thermostat Guidelines

Manual Thermostat replacement is: White Rodgers 3 wire 1f56n-444

The replacement of all thermostats, for any reason, must be purchased from and installed by the Westage Maintenance. Owner is responsible for the cost of the thermostat but not the installation.

Rev. 5/2020

Garbage Disposal Do's and Don'ts

A garbage disposal unit makes the kitchen clean-up process a lot more convenient and is very environmentally responsible. However, there are limits to what a garbage disposal system can handle; it's not equipped to process everything you might want to put in it. ***These tips will be useful in preventing future costs to you!!!***

The following is a list of things you should never put into your disposal unit:

NON-FOOD ITEMS- Before you grind up anything, always clear up the dishes in the sink and check to make sure no non-food items such as silverware have fallen inside.

GREASE- The problem with grease is that when it cools down it solidifies inside your drain and creates clogs.

FIBROUS FOODS- Celery, asparagus, artichokes, chard, kale, lettuce, potato peelings and onion skins should be kept out of your garbage disposal unit. These items can easily entangle the blades causing it to jam.

PASTA AND RICE- When uncooked pasta and rice are exposed to water, they expand. A sizable amount of this will cause a back-up in the drain in no time.

COFFEE GROUNDS- Coffee grounds are a hazard because they tend to get caught in the drain trap.

FRUIT PITS, SEEDS AND APPLE CORES- These items are far too solid for your garbage disposal unit to process and are better meant for the trash.

EGGSHELLS- The membrane on the inside of an eggshell can wrap around your garbage disposal unit's blades.

BONES- Bones challenge even industrial strength disposal units. These are better to be collected with the trash.

Things that your disposal is designed to handle include:

LIQUIDS AND SOFT FOODS- A good rule of thumb: if a baby can eat it, the garbage disposer can handle it without any problems.

CHOPPED FOODS- In order to process solid foods, they must be thoroughly chopped.

Other helpful ideas to ensure your disposal a long and happy life:

COLD WATER- For the disposal to function best, you should always run cold water through the unit for 20-30 seconds before and after it runs. This ensures all the food will be flushed down the drain.

DISH SOAP- Putting soap inside the disposal will help keep it clean.

ICE CUBES- Throwing a few of these in occasionally will knock off food residue that has built up on the unit's blades. To make them even more effective use ice cubes made out of lemon juice, vinegar, or some other biodegradable cleanser.

Rev. January 2017

Requirements for Homeowners— Contractors/Building Permits/Insurance

Westage at the Harbor follows the New York State Uniform Fire Prevention and Building Code minimum standards for both fire prevention and building construction and the NFPA #70 National Electrical Code. In addition, Westage at the Harbor Condominium has set forth additional provisions that supersede the Town of Irondequoit Building Code to protect the homeowner's safety and investment.

PERMITS ARE REQUIRED FOR:

1. ALL NEW construction, which includes, but is not limited to: enlargement, alteration, replacement or relocation of any associated building system, building systems, as in Electrical, Plumbing and Structural.
2. Westage at the Harbor requires any plumbing and electrical modifications, changes, additions or repairs to be performed by a Licensed Plumber or Licensed Electrician approved by the Board of Managers. Approved Licensed Contractors must be on file with Westage Board, with an approved insurance certificate naming Westage at the Harbor as additional insured. Liability Insurance certificates must indicate limits of \$1,000,000 per occurrence and \$2,000,000 aggregate.
3. All work that requires a permit will be inspected by the Town of Irondequoit Building Department. When electrical work is done as part of permit, a third party inspection must be completed by an Electrical Inspecting Agency as listed below:
 - a) The New York Electrical Inspection Agency (436-4460)
 - b) Middle Department Inspection Agency (454-5191)
 - c) Commonwealth Electrical Inspection Agency (624-2380)
4. Westage requires a licensed plumber, licensed in the Town of Irondequoit, for all plumbing work. In addition, Westage at the Harbor requires a licensed electrician, licensed in the City of Rochester, for all electrical work to be performed.
5. Westage will provide a list of licensed plumbers or licensed electricians as approved by the Condominium. Any non-approved licensed electrician or plumber will need to provide approved insurance, naming Westage at the Harbor as additional insured, and licensing information before they are approved to work on Westage property.
6. Westage residents must inform the Board prior to applying to the Town for any permit. Homeowner must show proof of insurance and the approved licensed contractor electrical/plumbing must show insurance listing Westage at the Harbor and management company as additional insured before any permit applications are submitted.
7. Have Contractor provide any Town of Irondequoit permits required to do the contracted work before the start of any work.
8. Have the Contractor identify the scope of work to be performed, work procedures and equipment

to be used in a written proposal.

Please Note:

A fine will be levied in the amount of \$50 per day for each day that work proceeds, that is not supported by the above-referenced documentation. The effective date of this amendment is January 1, 2008. The required paperwork must be filed with Westage at the Harbor Condominium prior to the commencement of any work.

Steps for a successful remodel at Westage at the Harbor:

Step 1- Please review page 19 of the Westage Rules and Regulations!

Step 2- Complete and return your variance request form/remodel check list, along with all Contractor certificates of liability insurance to the Westage office.

Step 3- A walk-through inspection will be scheduled to review your project with Dave Griffo and two members of the Board.

Step 4- Take approved variance to Town of Irondequoit to apply for any necessary permits. Keep in mind any electrical requiring a permit will also require a third party inspection by an Electrical Inspecting Agency.

Step 5- After the work has been completed you will need to schedule a final walk-through inspection by contacting Dave Griffo at the Westage office.

January 11, 2017

Dear Westage at the Harbor Board of Managers:

In the past, we have helped unit owners with structural assistance to open up their kitchen walls to the living area although mostly after the fact as the units were under demolition or already completed as we saw yesterday in a unit. These walls are not true structural bearing walls, but we refer to them as yielding an imposed load because the floor joists bear the weight of the kitchens above them, and therefore, there is an actual load applied.

These buildings were not built with conventional construction techniques. There are steel columns supporting a steel beam which spans from the bedroom wall across the living room. This steel beam supports the floor above which span from the front to the back of the units. In conventional construction the ceiling would have 2 X 10 (inch) floor joists running from the front to the rear.

What we have here was recently invented at the time which is a stress skin floor structure. This is comprised of two 2 X 6's glued and screwed to sheets of 3/8" plywood as a 16" wide "plank." They are placed 8" apart with the 5/8" tongue and groove plywood floor above holding them in place. These were developed to reduce building height and therefore reducing construction costs.

The walls in the kitchen serve to stabilize what we refer to as the overall floor plate. We suggest that there be no changes and these walls remain in place. The reason for this is that we do not know if these planks were constructed as designed and there is a possibility that the glues may have dried or may not have been applied amply enough when built.

Please contact me if you need further information on this matter, and as always, it is always best to contact me when something urgent like this happens as well as your HOA's management group.

Sincerely,

A handwritten signature in black ink that reads "Daniel E. Mossien".

MOSSIEN ASSOCIATES ARCHITECTS, P.C.

Replacement Windows Specifications & Installation

Procedures for Westage at the Harbor

1. Windows must be extruded, rigid white vinyl, no thicker than 3 ¾”.
2. Each glass section of the 3 slide-living room window must be of equal size. There must not be a large center section with 2 smaller end sections.
3. All other windows must be 2 sliders, not casement, double hung or awning types.
4. Installation procedures must not change or damage the original window openings or interior and exterior walls.
5. Exterior of windows and capping must be caulked.
6. Window frames must be square, plumb and insulated.
7. Installer must carefully measure window opening for sash unit. There are differences among these openings.
8. Installer should determine, in advance, if the owner’s hardware for drapes or blinds needs to be adjusted. The owner must be consulted and agree to any changes.
9. Owners should be advised that their window sill width will be much narrower because of the thicker vinyl frame. This is especially true in the living room window sills. Some residents like the wider sills. New sills can be installed as an option.
10. The caps must be secured and caulked.
11. The size, number and placement of screen to be agreed upon with owner.

Note: The Westage Board of Managers approved these specifications September 8, 2020. Suggested contractors are Tagg Construction and Rochester Colonial Manufacturing.

Installation Steps

- Remove existing vinyl and/or aluminum window including frame
- Level sill with wood as required
- Install aluminum panning system per specification outlined in drawing
- Install new vinyl window-do not make any screw penetrations through the top or bottom of window
- Spray foam around perimeter of new window
- Install new interior molding as required
- Wrap exterior to Drivit or brick with aluminum or vinyl material
- Seal exterior wrap with high quality sealant

Lease Addendum

Landlord _____

Tenant(s) _____

Premises _____

Original Lease: Term _____
Beginning _____
Ending _____

Landlord and Tenant agree that the following provisions shall become a part of their lease, as referenced above, and shall remain in force throughout the term of said lease and any renewals thereof.

1. Landlord and Tenant acknowledge that the leased premises are part of the Westage at the Harbor Condominium.

2. Landlord’s right to lease and Tenant’s right to use and occupy the premises shall be subject to and subordinate in all respects to the provisions of the Declaration and the By-Laws of the Condominium (“Association Instruments”) and to such other rules and regulations as its Board of Managers may, from time to time, promulgate (“Rules and Regulations”). Failure to comply with the provisions of the Association Instruments or the Rules and Regulations, as provided herein, shall constitute a material breach of this Lease. The Tenant certifies that he/she has read a copy of the Association Instrument and the Rules and Regulations.

3. In the event of a breach of any of the provisions of the Association Instruments or Rules and Regulations, as determined by the Board of Managers with written notification to the Tenant and the Landlord, the Landlord shall take immediate steps to correct said breach. If after thirty (30) days from the sending of said notice, the breach has not been corrected to the satisfaction of the Board, then the Landlord shall take immediate steps to evict the Tenant from the premises. In the event that the Landlord fails to take action to evict said Tenant, then the Board may take whatever action is necessary to evict said Tenant. Any costs incurred as a result of Board action, including, but not limited to, attorney’s fees, shall be borne by the Landlord. Failure of the Landlord to pay such cost will result in a lien being placed against the subject Unit.

4. This Lease grants the Tenant a leasehold estate in the premises for the Lease Term specified, together with a license granting Tenant, for such Lease Term, Lessor’s rights to use the Common Elements and Common Facilities of the Condominium (excluding, without limitation, membership rights in the Unit owner’s Association), provided that the Tenant, Tenant’s family and agents, exercise such license in accordance with the provisions of the Association Instruments, Rules and Regulations.

5. Landlord and Tenant shall be jointly and severally liable for any damages directly incurred by the Westage at the Harbor Condominium as a result of the noncompliance by Tenant and/or Landlord with the provision of any of the Association Instruments, Rules and Regulations or any other covenant of this Lease.

6. The names of all persons occupying the Unit must be noted on the face page of this addendum.

WESTAGE AT THE HARBOR CONDOMINIUM

AMENDMENT TO BYLAWS

KNOW ALL PERSONS BY THESE PRESENTS that Westage at the Harbor Condominium does hereby **AMEND ITS BYLAWS**, which were recorded in the Monroe County Clerk's Office on August 24, 1983 in Liber 6374 of Deeds at page 189, and affect the premises described as -

SEE SCHEDULE A

By addition of the **LEASING AMENDMENT** hereinafter set forth.

WESTAGE AT THE HARBOR CONDOMINIUM

AMENDMENT TO BYLAWS

LEASING AMENDMENT

1. **Community-wide lease restriction.** By resolution adopted June 14, 2016, the Board of Directors of the Westage at the Harbor Condominium. declared a moratorium on the renting of Units, effective July 1, 2016. Pursuant to that resolution, homeowners who had existing leases as of the date of the adoption of the resolution were grandfathered such that their leases were permitted to continue in effect until such time as their lease terminated by its terms.
2. **Existing Lease.** Pursuant to that resolution dated June 14, 2016, homeowners who had a written lease who desired to be grandfathered were to provide a copy of such written lease to the Woodbridge Group by not later than July 15, 2016. In the event a Unit owner had an oral lease on a month to month basis, an oral lease was permitted to remain in effect but that lease must have terminated by not later than July 31, 2016.
3. **Absolute prohibition on leasing.** The Westage at the Harbor Condominium believes that it is in the best interests of all homeowners to formally adopt an absolute prohibition on the leasing of Units. Therefore, on the first day of the month following a special meeting of homeowners who must adopt this Amendment to Bylaws by a vote of not less than two thirds in interest and in number of all Units which are subject to the Bylaws, there shall be an absolute prohibition on the leasing of Units, whether oral or written. In the event there is a violation by an owner of this Amendment to Bylaws, the Board shall have, within its powers, the right to impose such fine or fines upon such Unit owner after notice is given to such Unit owner and after giving that Unit owner an opportunity to be heard.
4. **Exceptions.**
 - a. **Waiver.** The Board, within its powers, and within its sole discretion, may grant a waiver of this leasing prohibition to a Unit owner who has demonstrated a unique hardship situation to the Board.
 - b. **Grandfathered Units.** Units which are presently leased at the time of the adoption of this Amendment to Bylaws shall be defined as "grandfathered units." Owners of these grandfathered units shall be exempt from the leasing prohibition as set forth in this Amendment, and such owners may continue to lease their Units as long as the Unit ownership remains the same. Upon the transfer of title to the Unit, no further lease agreements may be entered into by a subsequent owner of the Unit. At the time of such transfer by an Owner, however, an existing lease, whether written or oral, may remain in effect until it expires by its own terms. Upon the expiration of such lease, no further rentals shall be permitted for such Unit.
 - c. **Hardship situations.** A member suffering from a financial or personal hardship that renders the member unable to reside in his/her Unit may apply to the Board of the Association to lease the Unit. In such situations, the Board of the Association, in its sole discretion, may be authorized to permit the Member to lease his/her Unit.

This Amendment to Bylaws has been duly adopted by the vote of not less than two-thirds in interest and in number of the Unit owners of the Westage at the Harbor Condominium.

Dated this 20th day of

TO: Westage at the Harbor Owners
FROM: Your Board of Managers
RE: Kayak Liability Waiver

The Board of Managers has installed to kayak racks on the property for the use and enjoyment of the Residents. Owners that elect to store their kayaks in the Westage racks should be aware of the rules regarding storage. Owners must supply their own locks. Owners utilizing kayak storage will be supplied a key to the gate. Owners are responsible for keeping the gate closed and locked at all times after going in or out. Owners are responsible for the replacement cost of any lost or stolen keys. Lastly, Westage at the Harbor is not responsible for any stolen or damaged kayaks being stored in the community racks.

If there are any questions or concerns, please call the Woodbridge office at 585-385-3331. Thank you for your cooperation concerning the clarification of this matter.

Kind regards,

Kristen Werner, as Agent
Woodbridge Management Group
Westage at the Harbor
Board of Managers

I, a Westage Homeowner, have read this notice and the information provided in the published community rules. I understand that if I elect to store a kayak in the community racks, the cost for any damages or stolen kayaks will be my responsibility. I waive all claims of liability against the Condominium.

Westage at the Harbor Condominium Pet Rules

No animals or reptiles of any kind shall be raised, bred or kept in any Unit or in the Common Elements. Cats or other common household pets, not to exceed one per Unit and not in excess of 25 pounds, may be kept in Units, subject to the rules and regulations adopted by the Board of Managers, provided that they are not kept, bred or maintained for any commercial purposes.

No dog or cat shall run unleashed or unattended at any time. They must not be allowed to roam free or be tethered to a building. Pets in transit are to be carried, or restrained by a leash, or placed in an animal carrier. The leash cannot exceed eight feet in length and must be under a responsible person's physical control, at all times. No pet is permitted in any grass or garden plot, in the courtyard or on the beach under any circumstances

Pets may not urinate and defecate anywhere upon the property. All animal waste must be disposed of by placing it in a plastic bag and discarding it in the appropriate exterior waste receptacle. All pets must be registered with the Town of Irondequoit, have required shots with proof from a veterinarian, and pet owners must follow Town of Irondequoit leash laws.

Pet owners are responsible for the actions of their pets. The costs of repairing any damage to the common elements caused by the pet will be assessed against the pet owner, as a charge on their account, just as other common charges and fines. This may include carpet cleaning in common hallways where pet feces or urine have been deposited. Also, lawn areas burned out by repeated urination or feces left unattended will require lawn repairs, topsoil and reseeding.

No pet shall be left in a unit unattended and barking for any period of time, or should the pet create a nuisance to other residents. Some examples of nuisance behavior are as follows:

- a. Pets whose unruly behavior causes personal injury or property damage.
- b. Pets that make noise continuously and/or incessantly for a period of 10 minutes or intermittently for one hour or more to the disturbance of any person at any time of the day or night.
- c. Pets in common areas not on a leash and under the physical control of a responsible person or in a pet carrier.
- d. Pets that relieve themselves on walls or floors of common areas.

If a pet is deemed a nuisance or the homeowner negligent in its care, they will be subject to possible fines, damage repairs, and possible forfeiture of the courtesy to maintain a pet by permanent removal of the pet.

The housing of pets is subject to termination by the Board of Managers if the pet's owner does not follow the rules, regarding pets. Any such pet causing or creating a nuisance or unreasonable disturbance or noise shall be permanently removed from the property upon three (3) days written notice from the Board of Managers. The pet caregiver will have 10 days to remove the pet from the premises. If the pet is not removed within ten (10) days, fines will be issued until the pet is removed. The fines are listed in your Rules and Regulations.

Housing a dog or cat under Federal Guidelines for a Service animal or Therapy pet is only possible by proper Medical Certifications by specialized individuals, and in the case of a Condominium the rule can be satisfied by a "reasonable accommodation".

All pets as approved require a license and Veterinarian document of all required shots

.Rev/June 2018
